After receiving your CV, we then proceed to making an appointment for a skype interview. When all questions have been answered satisfactorily, we can then plan a visit to Belgium and Veilige Have. During your visit, you will get to know the country and the workplace after which a contract would be signed if we share the same ethos and if you are still interested in joining our team. From there, we would help with the registration of your diploma, offer free intensive Dutch lessons and free temporary accommodation when you start.
