

We look after seniors (over 65) in their own homes with companionship, home help, and personal care. We were awarded outstanding recently (only 3% of businesses have this) by CQC (regulatory body). We provide through careplans and processes high level of care with compassion. The area just outside London has a growing older population and so we need full-time staff to look after them.

We employ over 70 staff currently and the business has doubled in size in the last few years.
