

## 1. TITLE OF THE CERTIFICATE (ES)

**Certificado de Profesionalidad de nivel 2 en  
ELES0109 MONTAJE Y MANTENIMIENTO DE INSTALACIONES DE MEGAFONÍA, SONORIZACIÓN DE LOCALES Y  
CIRCUITO CERRADO DE TELEVISIÓN**

## 2. TRANSLATED TITLE OF THE CERTIFICATE (EN)

**Professional Certificate Level 2 in  
ELES0109 INSTALLATION AND MAINTENANCE OF PUBLIC ADDRESS SYSTEMS, FACILITY SOUND SYSTEMS AND CLOSED  
CIRCUIT TELEVISION INSTALLATIONS  
(This translation has no legal status)**

## 3. PROFILE OF SKILLS AND COMPETENCES

The holder of this certificate will have acquired the **general competence** to install and maintain public address systems, facility sound systems and closed circuit television installations, applying the techniques and procedures required for each case, fulfilling quality criteria, under safety conditions and in compliance with applicable legislation.

This general competence is divided into the following **skills units** (UC):

- Install and maintain public address and facility sound systems (UC0597\_2).
- Install and maintain closed circuit television installations (UC0598\_2).

The professional skills are acquired through the **learning outcomes** defined within the related Training Modules (MF):

- Installation and maintenance of public address and facility sound systems (MF0597\_2).
- Installation and maintenance of closed circuit television installations (MF0598\_2).
- Practical training at the workplace in installation and maintenance of public address systems, facility sound systems and closed circuit television installations (MP0184).

(See legal basis for all learning outcomes information acquired by the holder of this Certificate in each MF).

As a reference the learning outcomes include in the Practical training at the workplace that complete and reinforce the learning outcomes acquired in the other training modules, are:

- Lay cabling to install public address/sound systems and CCTV following personal protection and material safety standards.
- Install devices and elements for public address and sound and CCTV installations, following personal protection and material safety standards.
- Diagnose and repair breakdowns in public address/sound and CCTV installations, following safety and occupational risk standards.
- Prepare documentation for "actual" channelling layout of public address/sound and CCTV installations.
- Take part in the company's working processes, following the rules and instructions established at the workplace.

## 4. RANGE OF OCCUPATIONS ACCESSIBLE TO THE HOLDER OF THIS CERTIFICATE

The holder of this certificate may work in the installation and maintenance of public address, microphonic and closed circuit television systems, regulated by the Common Telecommunications Infrastructure Standards. The holder may also work in the telecommunications industry, in the installation and maintenance of public address systems, facility sound systems and closed circuit television systems. The most pertinent occupations and positions are:

- Public address systems installer.
- Sound installations technician.
- Security systems installer.

<b>5. OFFICIAL BASIS OF THE CERTIFICATE</b>	
<p><b>Name and status of the national/regional authority providing accreditation/recognition of the certificate</b> The Ministry of Employment and Social Security or the corresponding autonomous regional administration within the scope of its competence, in the name of the King.
