

IPS Hessen

ZAV- INTERNATIONAL PLACEMENT SERVICES

DEPARTMENT OF GERMAN FEDERAL EMPLOYMENT AGENCY

We are looking for **print and media technologies specialist (m/f)**
in Hessen, Germany
(Hessen.press)

Your tasks:

- Responsibility for the order-related setup of the printing machine
- Control of the printing and the production process
- Set, operate and monitor the production facilities
- Quality inspection
- Compliance of the safety regulations
- Maintenance and care of the production unit

Your profile:

- Professional training as print and media technologist
- Large experience with the **Gallus RCS** or similar machine, like the **Heidelberg Speedmaster XL-75/6**
- Ability to work independently
- Reliability and sense of responsibility
- Willingness for shiftwork and sometimes weekend work.
- German language skills **min. A1**. We are also open for other languages, as long you can understand a bit German.

What we offer:

- Permanent and unlimited employment in full-time work
- 26 days of vacation in the first year
- Monthly wage between 2.800 – 3.000 € gross plus Bonus
- Help finding accommodation
- Help with travel expenses
- short decision paths
- possibility of personal and professional development

We are a successful German company in the printing industry based in the Rheingau. Our product range covers all forms of self-adhesive and wet-glue labels. For this, we offer our customers a service that goes beyond the usual scope - individual, committed and comprehensive. We always invest in new printing and production capacities and develop our own technologies. We are always in close dialogue with our customers.
